

Declaration of incorporation

according to 2006/42/EC machinery directive

| | | |
|--|--------|------------------------|
| Manufacturer: | Type: | Height adjustable unit |
| UWT– GmbH 87488 Betzigau Westendstr. 5 | Model: | HFM 5 |

According to Art. 2 clause g) the unit is declared as a partly completed machinery, which is only working after installation in another apparatus.

Commissioning is not permitted, until it is ensured, that the apparatus, in which the unit HFM 5 is installed, meets the demands of the directive.

In particular it is important, that the "protecton casting", which is delivered with the HMF 5, is proper mounted with the delivered screws to the unit.

We hereby confirm, that the above–mentioned unit corresponds with the essential security targets, which are fixed in the above–mentioned directive.
